A CUT ABOVE THE REST

Shaping the Next Generation of Adult Learning Professionals

The WSQ Advanced Certificate in Learning and Performance (ACLP) 2.0 is the entry-level programme for anyone aspiring to facilitate adult learning in Singapore.

Designed for today's dynamic TAE landscape, this programme equips professionals with future-oriented skills and mindsets to facilitate inclusive, engaging, and effective learning across diverse workplace and training settings. With a streamlined structure and practice-focused curriculum, the enhanced ACLP 2.0 offers greater flexibility while maintaining its rigour. Learners will benefit from richer social learning experiences, timely feedback, and more meaningful engagement with facilitators.

The ACLP remains aligned with SkillsFuture Singapore's Adult Educator (AE) Qualifications framework and continues to award six Statements of Attainment (SOAs) upon completion.

Learning doesn't stop here. Graduates are encouraged to stay current and relevant through Continuing Professional Development (CPD), as part of their lifelong, life-wide, and life-deep learning journey.

WSQ Advanced Certificate in Learning and Performance 2.0 (ACLP 2.0)

WSQ Certificate

Face-to-face,
Online Training

88.5 Hours

Who Should Attend?

Aspiring TAE Professionals

Keen to facilitate learning and assess adult learners through the design, reflection and continuous improvement of learning activities in an array of learning settings such as classroom, workplace and technology-enabled learning contexts.

Existing TAE Professionals

Keen to enhance sector-domain specialist skills with fundamental and emerging TAE competencies, and undertake business transformation challenges affecting enterprises and workers.

Industry/Sector Professionals

Keen to upskill with the facilitator skillsets to effectively conduct in-house training programmes for employees within their organisations.

Programme Highlights

Similar to ACTA and the ACLP 1.0, ACLP 2.0 is aligned to Skills Framework for Training and Adult Education (SFw TAE). Upon completion of the programme, you will be issued with a WSQ Advanced Certificate from SkillsFuture Singapore which you can obtain through [MySkillsFuture Portal \(https://www.myskillsfuture.gov.sg/content/portal/en/index.html\)](https://www.myskillsfuture.gov.sg/content/portal/en/index.html).

- No compromise on programme rigour as ACLP 2.0 contains 6 SOAs, similar to the ACLP 1.0.
- Enhanced engagement with facilitators.
- Immediate provision of feedback from facilitators.
- More opportunities for social learning with peers.

ACLP 2.0 programme structure

ACLP 2.0 Modules

Duration

M1P	Facilitate Learning Experiences for Adult Learners and Assess Competence based on Skills Framework	52 hrs
M2P	Facilitate Technology-Enabled Learning	21.5 hrs
M3P	Facilitate Workplace Learning Delivery	15 hrs

88.5 hrs

If you have attained any modular Statement of Attainment (SOA) from any earlier versions of WSQ ACLP, you are **not** eligible to enrol for the WSQ ACLP 2.0. For enquires on the completion of your WSQ ACLP, write in to <https://feedback.ial.edu.sg/>.

Modules and Training Commitment

Module Code	Module Title	Duration
M1P	Facilitate Learning Experiences for Adult Learners and Assess Competence based on Skills Framework	52 hours
	Develop your knowledge, abilities and dispositions to effectively acquire facilitation and assessment skills in the context of Singapore's Skills Framework model.	
	The module is delivered and assessed in an integrated approach, building on the Technical Skills and Competencies of Skills Framework Adoption (SFA), Learning Experience Delivery (LED) and Assessment Design and Implementation (ADI).	
M2P	Facilitate Technology-Enabled Learning Delivery	21.5 hours
	Develop your knowledge, abilities, and dispositions to facilitate a technology-enabled learning experience for adult learners.	
	The module is designed with a What, Who, Where, When, How, and When (5W1H) approach, and delivered and assessed in an integrated approach, building on the Technical Skills and Competencies of Learner Profile Analysis and Technology-Enabled Learning Delivery.	
M3P	Facilitate Workplace Learning Delivery	15 hours
	Equip yourself with the necessary experience to develop, plan and execute a simple workplace learning experience.	
	This module aims to equip a workplace trainer with a sequential framework for planning and conducting workplace learning activities.	

*The facilitated learning hours eligible for Absentee Payroll is 88.5 hours which includes face to face training, online synchronous facilitation, coaching and assessment.

Duration is inclusive of modular assessment.

Learning Outcomes					
					
Understand key principles in adult learning, instructional design and classroom learning delivery	Adopt the Skills Framework for employers, employees and training providers	Conduct technology-enabled learning for your learners	Conduct workplace learning interventions aligned to enterprise needs	Implement competency based assessments	Use learner profiles effectively to facilitate tech-enabled learning, workplace learning and classroom learning

I am happy with the ACLP 2.0 as it gives learners better work-life balance in comparison to the previous version of ACLP which had assignments that felt repetitive and similar. On top of that, the revised ACLP also upholds the same level of Technical Skills and Competency Knowledge which is great!

About the Institute for Adult Learning

The Institute for Adult Learning (IAL) is an autonomous institute of the Singapore University of Social Sciences (UEN: 200504979Z). IAL works closely and supports Adult Education professionals, businesses, human resource developers and policy makers through its comprehensive suite of programmes and services on raising capabilities and catalysing innovations in Continuing Education and Training (CET). IAL also champions research in sustaining economic performance through skills, shaping employment as well as CET decisions, and develops innovations through learning technology and pedagogy to heighten adult learning.
